| Date: | 19/Sep/2014 | Measurement: | 30 x 40 Yards |
| Time: | N/A:N/A | Players: | 6 |
| Duration: | 30 | Level/Age Group: | U11 - U14 |

Description: Teams play 3v3. You can score by dribbling the ball through 1 of the 2 gates available.

After focusing on dribbling in practice this is a great exercise to finish up. Players have to get a lot closer to the goal to score, so they also have to recognize when they should dribble the ball up the field, maybe take on a player or pass the ball to a team mate in an open area of the field.

Objective: Find an open player that is capable of dribbling the ball across a goal line.

Coaching Points:

- 1 - Organization / Shape - Triangle
- 2 - Opportunites to pass a ball back
- 3 - Decide when to pass or when to dribble
- 4 - Try to create 2v1 situations
- 5 - Can we use a dummie to fake out the defender and beat him/her?

Progression: Easier - Use the entire back line instead of 2 small gates.
