

Westfield Soccer Association Age Group Chart 2017-2018

To determine the players age group, simply take the end year of the seasonal year and subtract the player's birth year. For the upcoming 2017-2018 seasons, subtract the player's birth year from 2018. For Example, if the player was born in the year 2004, subtract 2004 from 2018 to get 14 or U14.
